Register Test Outcomes

1. Success: redirect to homepage
2. Failure: display error message

Acceptance Testing

User Story 17: Prompt Before Deleting Ads				Tested On: 16/11/2017
Description: Users will be asked to confirm their choice of deleting their ad				
Pre-Condition: Must be logged in with at least one ad posted.				
Test Case ID	Scenario	Test Data	Expected Result	Pass/Fail
17.1_195	Go to "Your Store" and press the delete ad button - confirm		Ad should be successfully deleted and no longer appear anywhere on the site	
17.2_195	Go to "Your Store" and press the delete ad button - cancel		Ad should not be deleted and should still appear anywhere on the site
